

The Red-Letter Words of Yeshua ~ Part 75

Yeshua's Extensive Tour throughout Galil ~ Part 1

In our last post, we concluded the topic entitled **Miracles and Multitudes**. This post introduces the new topic of **Yeshua's Extensive Tour throughout Galil**.

Introduction

Perhaps as a part of a plan for broader evangelism (or to withdraw from the **Jewish** leaders), **Yeshua** now turns His ministry to **Phoenicia** and the area around **Tyre** and **Sidon**. Here He encounters a **Canaanite** woman who begs **Yeshua** to heal her daughter. As descendants of **Noah's** son **Ham**, against whom curses had been directed, the **Canaanites** are looked down upon by the **Jews** as unworthy of God's blessings. So, the women's request is an excellent opportunity for **Yeshua** to teach His talmidim again about His kingdom's universality.

In our next post, we will continue to examine **Yeshua's Extensive Ministry Throughout the Galil** by looking into the **Canaanite Women's Plea for Her Daughter**.
